PORTLAND POLICE BUREAU
INTERNAL AFFAIRS DIVISION
Confidential Radio Taped Statement
Investigator Jon Rhodes, #16753

Interview Date: January 29, 2010

IAD #: 2010-B-0004

Complainant: PPB

Interviewed: BOEC Talk Net, North Dispatch (1622 – 1645)

646: Go ahead.

Dispatcher: Welfare check at the Sandy Terrace Apartments number 37, it's at 12800 NE Sandy. Checking on an ANGIE JONES, uh, female, lives here with three kids. I get, evidently a suicidal boyfriend tried to kill himself earlier and we don't know if he is there or not, but there's a report that he may be there with a gun.

646: Copy, 78th and Prescott.

Dispatcher: Any eastside afternoon cars that can clear for that.

664: 664, I can go to that.

Dispatcher: 664, I'll show you en route.

646: Yeah 646, where this information coming from?

Dispatcher: 646, looks like it might be a friend of the female that you're checking on, she's calling from 162 and Stark, giving us this info. I guess this guy, uh, wants a suicide by police. Again we don't know if he actually armed today and the dad is en route, dark gray Ford pickup, no ETA.

646: 10-4.

1602: 1602 Traffic.

Dispatcher: Go ahead, 1602.

1602: Yellow three on my last out with 248 Edward Boy Henry, I-5 northbound, uh, I guess we'll just put myself at 307.

Dispatcher: Northbound on five, 307.

664: 664, could you try to locate her in PPDS and get a phone number for us?

Dispatcher: Yeah we're trying.
